

Champaign-Urbana Autism Network, is a not-for-profit 501(c)(3) community organization committed to serving the needs of individuals with autism spectrum disorders and their families, caregivers, teachers and friends.

Dear Friends,

Autism is the fastest growing developmental disability in the United States, and is more common than juvenile diabetes, multiple sclerosis, cystic fibrosis or childhood cancer. This, together with the fact that Illinois ranks nearly last among states in per capita spending on developmental disabilities, creates a need for volunteer support for all those affected by the disorder. Our goal is to increase our community's awareness, understanding and acceptance of autism spectrum disorders. As well as, to promote education, advocacy and support for our local families. The funds we raise will support workshops, speakers, family activities and other community projects that the CU Autism Network provides throughout the year.

We hope that you will find a way to help us this year by becoming a sponsor of CUAN.

Thank you for your consideration of supporting our organization. It is greatly appreciated! Feel free to email us for more information at information.cuan@gmail.com or visit our website at cuaulismnetwork.org.

Sincerely,
CU Autism Network
